

CHAPTER 1

The Big Decision

Once upon a time, there were three little pigs who lived with their mother in a cozy cottage. One day, their mother said it was time for them to go out into the world and build houses of their own.

"Be careful," she warned. "Work hard, and always stay safe from the big bad wolf who lives in the woods." The three little pigs packed their bags and set off on their big adventure.

CHAPTER 2

Straw, Sticks, and Bricks

The Straw House

The first little pig was a bit lazy. He quickly built a house made of soft, golden straw so he could spend the rest of the day playing.

The Stick House

The second little pig worked a little harder. He gathered sticks from the forest and built a wooden house, which was a bit stronger than the straw one.

The Brick House

The third little pig was very hardworking. He spent all day laying heavy red bricks with mortar to build a strong, sturdy house that could withstand anything.

CHAPTER 3

The Hungry Wolf

Soon, the Big Bad Wolf arrived. He went to the straw house and shouted, "**Little pig, little pig, let me come in!**"

"Not by the hair on my chinny-chin-chin!" squealed the pig. So the wolf huffed, and he puffed, and he **BLEW THE HOUSE DOWN!** The first pig ran to the stick house as fast as he could.

The wolf followed him and blew down the stick house too! Both pigs raced to their brother's strong brick house just in time.

CHAPTER 4

Safe at Last

The wolf tried to blow down the brick house, but it wouldn't budge! He huffed and puffed until he was out of breath.

He tried to climb down the chimney, but the pigs had a pot of boiling water waiting! The wolf jumped back out and ran away, never to bother the three little pigs again.
